Charming, European-style cottage in desirable North AVL. Renovated from the windows to the wiring and opened up to a modern floorplan flooring from kitchen to screened porch with understated elegance. Step into the vestibule and note the nod to the original design in the entry hall, the efficient use of space for the mudroom and powder room and feel drawn into the large communal area. Upstairs, enjoy a beautiful Japanese-style tub and shower and an owner suite with dressing room. This is a renovation with style.
